

# The Animal Rights Agenda

- 1.) Abolish by law animal research.
- 2.) Outlaw the use of animals for cosmetic and product testing, classroom demonstrations, and weapons development.
- 3.) Vegetarian meals should be made available at all public institutions, including schools. Ultimately, all humans shall Vegans.
- 4.) Eliminate all animal agriculture. (This is your food source.)
- 5.) End herbicides, pesticides, and other agricultural chemicals. Outlaw predator control.
- 6.) Transfer enforcement of animal welfare legislation away from the Dept. of Agriculture.
- 7.) Eliminate fur ranching and the use of furs.
- 8.) Prohibit hunting, trapping, and fishing.
- 9.) End the international trade of wildlife goods.
- 10.) Stop any further breeding of companion animals, including purebred dogs and cats. Spaying and neutering should be subsidized by state and municipal governments. Commerce in domestic and exotic animals for the pet trade should be abolished.
- 11.) End the use of animals in entertainment.
- 12.) End all animal use by humans. Total "Animal Liberation".
